

Jaker Hossain – Frontend / Next.js Developer

📍 Dhaka, Bangladesh

✉ mrporany120@gmail.com

🔗 GitHub: <https://github.com/poran120>

Summary

Frontend Developer with 2+ years of experience specializing in React.js and Next.js. Skilled in building clean, scalable, and high-performing UIs for SaaS, POS, and E-commerce platforms. Proven leadership as a frontend team lead, driving performance optimization and clean code practices.

Technical Skills

- 🧠 Frontend: React.js, Next.js, Remix, Redux, Zustand, JavaScript, TypeScript
- 🎨 Styling: Tailwind CSS, Bootstrap
- 🧩 Components: Ant Design, DaisyUI, ShadCN, Material UI
- 🔧 Tools: Figma, Adobe Illustrator, Canva
- 📦 Backend: Node.js, Express.js, MongoDB, Mongoose
- 👤 Soft Skills: Leadership, Team Collaboration, Critical Thinking, Problem-Solving, Time Management, Adaptability

Professional Experience

🌐 Expert Squad – Dhaka, Bangladesh

Frontend Team Lead & Part-time MERN Stack Developer | 10AM–6PM

📅 2023 – Present

- Leading frontend development team for SaaS, POS, and E-commerce projects
- Responsible for project architecture, performance tuning, and cross-team collaboration
- Ensure design consistency and code reusability with component libraries

Projects

🔧 Project 1 – BD Commerce (Client Platform)

Tech Stack: React, Next.js, Redux, Tailwind

Description: Designed and developed a **fast, responsive e-commerce frontend** with features like **quick order**, **product quick view**, **multi-currency support**, and **multiple payment methods**. Focused on delivering a **smooth user experience** with minimal loading time and scalable architecture.

Education

 Honors 1st Year Student – Noakhali Govt College

Personal Statement & Values

I value clean code, accessible user interfaces, and performance-optimized frontends. As a developer, I believe in continuous learning, solving real-world problems with elegant UI/UX, and collaborating across teams to ship high-quality products. I take pride in leading projects from start to finish, ensuring maintainability and delivering with impact.
